STATEMENT OF SALE MANAGER:

In behalf of the Officer, Directors and Membership of the Southeastern Shorthorn and Polled Shorthorn Breeders Association, I personally invite you to attend their Spring Sale to be held Saturday, March 6, 1976, Bull Test Station, Clemson, S.C.

This is the third such event held by the current organization whose membership is providing some head of Shorthorn and Polled Shorthorn for their Spring Sale. If you are interested in starting a herd or adding to your current herd, in this sale—you should be able to find foundation seedstock of suitable quality, which represents nationally-known bloodlines from progressive breeders throughout the Southeast.

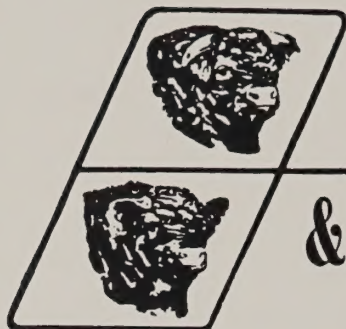

There will be herd bulls and likely prospects among the bulls selling. You may expect high quality females, including both bred and open heifers. There will be a few cows with calves at side.

Shorthorns and Polled Shorthorns are being sought by livestock men throughout the nation in the establishment of new herds and the expansion of present herds. This behooves all Shorthorn and Polled Shorthorn enthusiasts to join in this promotional event for the breed by attending this sale.

You are invited to attend a Dutch Dinner and meeting, Friday, March 5, on the eve of the sale, commencing at 7 o'clock at the sale headquarters. I anticipate the pleasure of seeing you there and at the sale next day. If I can be of service to anyone, before or during the sale, please contact me.

Sincerely yours,

Sale Manager
